### EXPANDING LEARNING OPPORTUNITIES

Do you have a topic in mind you would be willing to share with physicians across the North? Now is your chance to book a presentation in one of our 10 spots available for Friday Noon Rounds. These are hosted in Prince George and offered via videoconference and webex across the North. For more information on available dates, please contact Kelsey Guldbransen at [Kelsey.Guldbransen@northernhealth.ca](mailto:Kelsey.Guldbransen@northernhealth.ca).

Are you a certified trainer in ACLS, PALS, or any other courses? To further our educational program we are creating a list of certified physicians, nurses, etc., who can deliver education to our communities. Please contact Kelsey Guldbransen at [Kelsey.Guldbransen@northernhealth.ca](mailto:Kelsey.Guldbransen@northernhealth.ca) for more information.

### DID YOU KNOW?

When formulating educational objectives, such as those when you are a speaker at a rounds session, there is a certain vocabulary that should be used. Please refer to this [list of verbs and examples](#) to ensure your learning objectives are meeting the accreditation standards.
