NORTHERN EDUCATION NOON ROUNDS

Do you have a topic in mind you would be willing to share with physicians across the North? We still have numerous spots available for Northern Education Noon Rounds for 2020, which have now moved to Thursdays! These are hosted in Prince George and offered via videoconference and WebEx across the North. These sessions are accredited with Mainpro + and MOC Section 1.

If you are available or have questions, please email physician.education@northernhealth.ca.

LEADERSHIP AND QUALITY IMPROVEMENT OPPORTUNITIES

[2020 Canadian Conference on Physician Leadership, May 29 to 30 - Vancouver, BC](#)

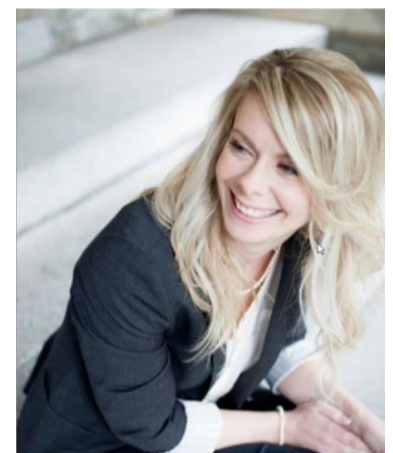

Funding for registration and travel costs for leadership and quality improvement opportunities is available for physicians through the physician leadership scholarship application form. For more information, and for help with your scholarship application, please contact physicianqi@northernhealth.ca.

PLEASE WELCOME

Please welcome Danielle Richey our new RCME Coordinator who is supporting the implementation for the new Community RCME Program. This is a new initiative of the Joint Standing Committee on Rural Issues (JSC). Danielle will work with communities to fulfil requirements for implementation into the new Community RCME program.

Supporting her love for education planning, she will work with communities to develop a model and build policies/process that is reflective of community RCME needs.

You can reach Danielle at Danielle.Richey@northernhealth.ca.
