

WEBINAR

FOR CONTINUING EDUCATION

Modernizing Frostbite Care

Date & Time

Wednesday, January 26, 2022
12-1pm PST | 3-4pm EST

Objectives

1. Discuss the elements of the Whitehorse frostbite protocol
2. Focus on acute and long term goals for wound care
3. Present and discuss a case study and the healing trajectory
4. Provide a question and answer period to help critically examine some of the challenges you face in your location
