To: All NH Staff and Physicians

From: Dr. Ian Schokking, Physician Lead, CME & Candice Manahan, Executive Lead, Physician Quality Improvement

Re: Heather Gummow, Physician Education Liaison

We are pleased to announce the appointment of Heather Gummow to the new Physician Education Liaison position, effective, April 3, 2017.

Heather will be providing support for physician education, including the Northern Doctors Day and Winter Retreat events. Heather will also support physician community education events, including helping physicians plan, accredit and execute local Rounds. Heather will be connecting with people or organizations involved in physician medical and professional education over the next month to identify what support is needed.

Heather has held the Assistant, Planning & Administration position at UHNBC for the past 7 years. Through this position, she has developed a passion for supporting physician education and learned more about the CME accreditation process. Prior to joining Northern Health, Heather worked for a number of law firms in Prince George. Heather has had a home business as an Anesthesiology Billing Specialist since 2012. She is currently working towards a Bachelor of Commerce with a Concentration in Leadership through Thompson Rivers University Open Learning.

Heather enjoys spending her free time with her husband, her son and 2 dogs. She enjoys cooking, camping and movies.

Heather will be located in Prince George at the Northern Health Corporate office located on the 6th Floor, HSBC Bldg. She can be reached at: 250-565-5814 or by e-mail at Heather.Gummow@northernhealth.ca
