

Northern Health's Learning Management System: The LearningHub

The LearningHub will be a one-stop learning management system that will:

- Increase access to online materials
- Implement course standardization, allowing for high-quality content and consistent course design
- Enable staff to track and take ownership of their education
- House all learning in an easy-to-use and accessible format

Northern Health staff, physicians, midwives, and students will access the LearningHub from any computer with internet access.
