

# ARE YOU A STROKE SURVIVOR?

**If you have had a stroke OR are a  
caregiver to someone who has had  
a stroke in the last 5 years, we  
would like to hear from you!**

**If you are 18 years of age or older AND provide care for OR are  
someone who received care in an emergency department in northern  
BC for stroke in the last five years, you may be eligible to take part in  
research that will help us better understand patient and caregiver  
experiences of accessing emergency care for stroke.**

**Participation involves taking part in a 30-45 minute interview either over the phone or  
in-person.**

**Please contact Daman Kandola**
