

DSM-5 Codeset Addition to MOIS

Anywhere conditions are entered in the Patient Chart (Conditions folder, Health Issues for Services, Detail/Coding in Encounter, etc...), there is now a code set option for DSM-5 for diagnosis related to mental health. As DSM-5 has a licensing fee, you will be given a licensing agreement to accept in order to access it. Once you accept the agreement, you can select a condition from the DSM-5 list.

DSM-5® End User License Agreement

YOU WILL INCUR INCREMENTAL LICENSING FEES BY ENABLING DSM-5. IF IN DOUBT, YOUR MOIS ADMINISTRATOR.

DSM-5 is reprinted in the MOIS® EMR with permission from the Diagnostic Statistical Manual of Mental Disorders, Fifth Edition®. Copyright ©2013 American Psychiatric Association (APA). All Rights Reserved.

Unless authorized in writing by the APA, no part may be reproduced or used in any manner inconsistent with the APA's copyright. This prohibition applies to unauthorized uses or reproductions in any form.

DSM® and DSM-5 are registered trademarks of the American Psychiatric Association and are used with permission herein. Use of these terms is prohibited without the permission of the American Psychiatric Association. Use of this trademark does not constitute endorsement of this product by the American Psychiatric Association.

This End User License Agreement ("EULA") is a legal agreement between you and APPI FOR HEALTH SOCIETY ("AIHS") for the use of the DSM-5 in the MOIS EMR ("MOIS"). THE MOIS EULA.

BY USING DSM-5 IN MOIS, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA. IF YOU DO NOT AGREE TO THESE TERMS, YOU MUST NOT USE DSM-5 IN MOIS. AIHS RESERVES THE RIGHT TO MODIFY THIS EULA AT ANY TIME WITHOUT NOTICE TO YOU; CONTINUED USE OF THE LICENSING AGREEMENT THEREAFTER INDICATES YOUR AGREEMENT TO ANY SUCH MODIFICATIONS.

1. This EULA is non-transferable, nonexclusive, and for the sole purpose of internal use only in Canada and in the English Language.
2. You may not use any portions of the DSM-5 other than those expressly allowed under this EULA.
3. Distribution, publishing, translating, or transferring possession of MOIS or of the DSM-5 are prohibited.
