

Shortage Resolution

Acetylcholine Chloride 10 mg/mL Eye Drops

Resolution:

The shortage of acetylcholine chloride 10 mg/mL (Miochol®-E) ophthalmic drops is now resolved.

Practice Implications:

NH pharmacies can order in stock and provide this product as required. Clinicians can continue to use acetylcholine chloride 10 mg/mL ophthalmic drops for patients as clinically appropriate.

Thank you to NH staff and physicians for your patience during this shortage.
