

Optimize your Dragon® Medical One usage

Interested in optimizing your usage?

The Nuance Dragon Medical One Resource Hub has learning resources such as video tutorials, quick reference guides, webinars and trainings.

By registering for Dragon Medical One education resources, you will receive:

- Access to the Resource Hub
- Customer webinar and event alerts
- Quarterly tips/tricks newsletters
- Dragon Medical One service/disruption email notifications

Resource Hub: On-demand Video Tutorials and more

1-3 minute on-demand optimization tutorials such as:

- Creating auto-texts
- Creating a voice command to perform an action (step-by-step command)
- Managing formatting
- Adding words to your custom vocabulary
- Using PowerMic™ Mobile
- Essentials training sign up

Not using Dragon Medical One yet? Check out [Dragon speech recognition | Physicians \(northernhealth.ca\)](#) to learn how to sign up for a Northern Health license.
